About this group

Description

A group for dogmen/APBT/game dog lovers all over the world

☺ rules are: there are no rules, just be nice and keep it on topic now play nice and let's see some ripped game dogs ☺👉

If you think a conditioned dog is skinny then this group isn't right for you,

If you think a pit is a nanny dog, then stop reading and leave 👉,

If you don't like chain spots, prong collars, kennels, then leave we support APBT, APBT breeders, APBT supporters/lovers, dogmen etc.

If you have a problem with someone, message me enjoy ☺

Lol I would join my dog here hahaha👉☐👉☐👉☐☐

How many of you feel the same way?

**Do you think the shows are changing our breed?**

Because you can't change genetics but the dogs will change over time ... from being bred over and over for shows with not considering their inborn ability and tendency to never give up ... no matter what attitude - gameness - evolve too adapt ... and to me that then becomes a different dog to the pit dog.
