Questionable paraphernalia for the dogman?

Kennel or owner items kept and use with active working dogs (some especially questionable and frowned upon today – 2019- if you keeping and conditioning APBT working dogs) are not in the least as said to be – but if you own it ... or an been using it ... you will be "stamped and sealed" as an animal abuser and charged for cruelty to animals by "some" ... could make the "authorities" make you out to be a **dog fighter – and then you have to prove the opposite - I still love my APBT's.**

Let's take look and talk about **what is "thought" to be dog fighting paraphernalia and what precisely the items are** and then for what **precisely these items are used if you are a dogman and keep APBT – then as aids in exercising and conditioning the APBT as working dog** and why these "paraphernalia" used **does not make you or anyone else a dog fighter.**

The tug of war rope.
