***Constructive interference.***

***Concept of paralell frequency resonating.***

There is a concept in physics called constructive interference – a fascinating principal that when 2 frequency wavelengths of equal amplitude align ... then their amplitude is doubled.

But when wavelengths of different /opposite frequencies align- they cancel each other out - do not resonate.

This principal also extends beyond physics and into our daily lives also as dogmen and dog woman.

By surrounding yourself with those that will resonate with your energy, goals and love for this breed >>> will creates a powerful synergy that will propel you towards any challenge, growth, expands your knowledge and ultimately shape your experience, but most of all – ensure a tranquil and knowledge sharing and helping lifestyle – coinciding with mutual respect.

I am what I am and that's all I ever can be – by my own conviction once wrote that everybody can't love or even like everybody – for me - that's my cross– but admitting I am still working on "some" spiritual teachings >>> see the way forward, walk ye in it (skip if you like) >>>

Matthew 22:37–39

Colossians 3:12-13

Luke 10:33-37

Galatians 5:22-23

Matthew 9:10-13

Nehemiah 9:30-31

Zechariah 7:9-10

This might be the way forward >>> 1 Peter 3:8-9

Whether you turn to the right or to the left, your ears will hear a voice behind you, saying, "This is the way; walk in it."

Doggers in this game >>> owners, breeders and competitors in dog sport can coexist – each resonating in within our own “frequency in their our own environment >>> learning from our dogs >>> the same as the APBT Bulldog – kennel protective and territorial – but, excepting the dog on the chain next door – and will know all the dogs on the same yard (your associates and others) - each the lord of their own allocated demarcated territory – content and accustomed life style – excepting – accepted and with mutual given respect.

This enhance what my Mentor and friend and old timer dogger” The Brainy Smurf” taught me “maby years ago >>> “A man in this game (APBT Bulldogs) is not an island – surround yourself with those that can amplify your goals, broaden your horizons and visions and be a **friend**.

**That’ it – Gawie Manjaro – MK.**
